# ABOUT US

Tinge is a pioneering solution that creates aesthetic developments adhering to the highest quality standards, aspiring to open up new horizons through lighting technology and by assuring unrivalled quality. Incorporated in 2021, Tinge has successfully performed on a variety of projects in residential and commercial settings. Tinge acknowledges the personal, artistic and dynamic elements of lights and illuminations ahead of your designs.

At Tinge, we conquer our clients' inhibitions and produce extraordinary results for their spaces. Our passion for innovation and design with an aim to strive for excellence is all that drives our clients to us. We take immense pride in working intimately with each of our customers to establish desired results and strive to provide the highest standard of bespoke lighting, producing a wide range of quality products.

We are constantly elevating ourselves with ever-changing times and customer demands with a pursuit to provide infallible products to shape into reality.
